

# JUNIOR FAMILY WEEKEND

**Mar. 23-26, 2023** CLASS OF 2024

**HARVARD**  
COLLEGE

# Welcome Parents and Families!

Thank you for joining us for Junior Family Weekend. Over the next few days, as you spend time on campus, you will have the opportunity to glimpse the transformative power of Harvard College that our students experience each and every day. The opportunity to visit classes and engage in discussions with faculty members will offer you a sense of where the intellectual transformation begins for our students. At the same time, the many open houses, receptions, sporting and cultural events will give you a chance to see how the College community comes together in ways that support the social transformation of our students. And finally, we hope that your time on campus meeting your student's peers and their families will open a window to the rich diversity of experiences and perspectives that contribute to the personal transformation for our students. We hope you have a chance to take advantage of all of these opportunities and we wish you a memorable weekend.

Sincerely,

Parent and Family Engagement Office

## ABOUT HARVARD COLLEGE

### MISSION

The mission of Harvard College is to educate the citizens and citizen-leaders for our society. We do this through our commitment to the transformative power of a liberal arts and sciences education.

Beginning in the classroom with exposure to new ideas, new ways of understanding, and new ways of knowing, students embark on a journey of intellectual transformation. Through a diverse living environment, where students live with people who are studying different topics, who come from different walks of life and have evolving identities, intellectual transformation is deepened and conditions for social transformation are created. From this we hope that students will begin to fashion their lives by gaining a sense of what they want to do with their gifts and talents, assessing their values and interests, and learning how they can best serve the world.

## THE COOP

The Harvard Cooperative Society (the "COOP" - not the Co-Op as other cooperatives are commonly called) was founded in 1882 by a group of students to reduce student living costs while attending Harvard. The Coop is not just the campus store, but it is deeply rooted in the tradition and the fabric of the Harvard and MIT communities and has a long history of providing financial and in-kind support to various student groups and initiatives. The Coop has enjoyed the distinction of being the oldest and largest college bookstore in the United States for many years and still operates as one of the largest collegiate retailers.

## THE HARVARD SHOP

In 1957, a group of Harvard students came together and invested in the model, "For students, by students." Since then, a small group of undergrads has grown this endeavor from makeshift businesses out of dorm rooms to Harvard Student Agencies (HSA), the largest student-run company in the world (yes, we were pre-Mark Zuckerberg!). Today, HSA is a non-profit company with 15 different agencies (of which The Harvard Shop is one!), 500 employees, and is still run by Harvard college students. We pride ourselves on delivering the authentic Harvard Identity. All profits go straight back into student wages and operations, so you know where your money is going, always.
